

GLOBE VENT -- GRAVITY VENTILATOR

Galvanized – Sizes 4" – 24"

Economical Gravity Ventilators for Industrial & Commercial Applications.

- Low Silhouette Gravity Vent
- Positive Draft Assures Good Air Flow
- Weather Tight Construction
- Quality Workmanship in Galvanized (inquire about Stainless)
- Drawbolt Collar for Secure Fit, Yet Easy Removal if Needed

OPTIONS

- Draft Diverter (for use with power exhaust systems)
- Chain Damper (installed in the base)
